To Whom It May Concern:

I am writing this letter of recommendation on behalf of Jack Bunnell. Jack currently plays baseball for me at EBF High School in Eddyville, Iowa. He aspires to play baseball at the college level, and I want to do anything I can to help him achieve this goal.

This first thing you'll notice about Jack as a player is his energy. He is truly passionate about the game, and his high energy is infectious. This energy is present not only at game time, but during workouts in practice as well. He has zero issue expecting his best effort every day and at every workout. Perhaps most impressive to me is despite his intense focus on his own personal growth and achievement, Jack is also willing to celebrate the successes of his teammates as well. He can bring the whole energy of the team up with his approach to the game, making himself better but also everyone around him.

The physical abilities Jack has gives him a very high ceiling. At 6'5 and getting stronger, Jack has had to make some adjustments mechanically to account for his growth. When you watch him throw, however, you will see exactly the type of talent he possesses. He has a big fastball, and very good movement on his curveball. Command has been inconsistent at times, which has made Jack's work ethic and commitment to improve even more shining. He has never made excuses and has shown clear determination to develop. As a college player, you will be getting a young man who will be committed to a development program, who is coachable, and who will be a great teammate.

As a student, the character Jack shows on the baseball field are also evident as a student. Jack has always been reliable with his work completion and receives good grades while taking some challenging classes. He has also been an active member in his church and youth group while also being a multi-sport athlete. I have no doubts about Jack's ability to succeed in the classroom, manage his time well, and be a model citizen off the field.

Jack Bunnell will be a terrific find for a college program. He has great talent, great high work ethic, great team spirit, and great coachability. If I can do anything to provide you some more information, please feel free to reach out to me at the contact information above. Thank you for your time.
